## Boku no hero academia girlfriend quiz

(There is an encrose, because for me and Bakugo. The reader will be female, but if you want to read to be male or non-binary, then tell me and I will get to work with it. Also, if you want characters there, then tell me! I'll let the villains, the big three and the heroes.) Key: (e/c) is the color of the eyes (Y/N) is your name (L/N) is the last name (h/c) is hair color (i/h) is the name of the tool (f/b) is a favorite band (c/n) is a cousin's name Izuku Midoriya --(Before you go saying, Oh, you should be childhood friends if Bakugo is your brother! You were very dysfunctional as a child, so you never met idzuku, because you stayed glued to your dad's club, sometimes rubbish) You had a nice walk in the park. It was after the entrance exam at UA and you were beaten. You needed this walk because you feel like you're bombing an exam. Bakugo, your brother (sorry), was nice enough to just call you stupid. But it was just thinking that you would fail. You're lost in your mind about the exam, so you didn't realize you were getting into something. You quickly got up and looked at what you had emerged into. It was a man around his age. He had broccoli green hair, green eyes, training clothes, red shoes, and looked kind of plain looking (I don't see any of what anime says that well). Sorry! I had to pay attention to where I was going! You said you're helping men. I-It's ok! I also had to pay attention, so it's my fault! He said. You smiled at him as his face was beet red. All of a sudden, you heard explosions behind you. You saw men turn pale as you turned around. Hey (Y/N), why did you hang out with Deku?! Baku go asked, mad. I'm doing it? You ask, turn around just to see that Dex ran away. Bakugo then dragged you home for dinner while giving lectures on what you could and couldn't hang with or date. You mind stayed on the dex all the time. Katsuki Bakugo -->You met when the guys were around 4. You are also Dex's cousin who lives with them because your mother died in childbirth. So you hate Bakugo now (sowwy). Shoto Todoroki -->You worked in a hospital far from high school. And now it was the first time you were running late because you had to stay away with the main because Mineta touched your butt and didn't come home in time, so you had to explain why your parents. You ran down your head (as I always do, never do it, a bad idea), so you ran into something. You got up just to see a man standing like a statue staring at you. He had white red hair, a gray eye and a light blue eye and a scar on the right side of his face. You're going to get stuck in a quick time. I-I'm so s-s-sorry sir! You managed to stumble. It's a good miss, you wouldn't happen to know where the nearest mental hospital is, do you? He asked. I'm going there now... Shoto Todoroki. Todoroki. Follow me. You said and walked the rest with him. You both spoke, but you didn't notice it from the building before you came to work. Tenya Iida ~ You went to your private school and had a few classes and projects to do together, but besides that you never talked to each other. Hitoshi Shinso --(You guys are in elementary school and you both had your weirdness a month ago. I also feel like I made this part oneshot.) You walked in the hallway of your school to get to your parents outside when you heard crying. You quickly ran where you heard it from just to see some boys grade a bigger circle kicking something. You panicked, knowing that they were hurting someone, and hooked on your back. Your curse was a fox, basically you had fox attributes. You also had a (h/c) fox ear and tail, sharp nails and a (e/c) fox like an eye. The hooligan screamed in pain and turned around, screaming causing others to look at you. You looked at the poor boy in the middle of the circle. He had purple hair kind of studded (you know how the hair looks before you shout at me I have bad descriptions), purple eyes with small bags under it, his school uniform, and bruises on his body. You tried to get into it, but as you pushed past the two in front of you, one of them pulled out your tail, causing you to yelp for the pain. Who is your girlfriend of My Hero Academia (Boko not a hero of the academic community) ? Have you always wondered which BNHA girl character would be your girlfriend? This BNHA Girlfriend Quiz will show you the answer! BEGIN QUIZ Currently the most popular female characters in my heroes academic community are Ochaco Uraraka, Momo Yaoyorozu and Kyoka Jiro.
